

*Instrumentation Based, Process Driven™*

## **Occupational Health and Safety Policy**

We at **Nish Techno Projects Pvt. Ltd.** are committed to provide safe working place and clean environment to our employees and other stakeholders as an integral part of our business philosophy and value system. We will continually improve the effectiveness of Occupational Health & Safety (OHS) performance in our activities, products and services through implementation of a OHS management framework.

We shall achieve this by:

- Ensuring compliance to all applicable OHS Legal requirements & other requirements
- Eliminate, minimize and/or control adverse occupational health and safety risks by usage of appropriate technology and OHS management practices at all levels and functions.
- Investigating all work place accidents/ incidents in order to correct any unsafe practices / conditions
- Enhance awareness, skill and competence of our employees and contractors / suppliers through effective communication & training to enable them to demonstrate their involvement, responsibility and accountability for OHS compliance & improvement.
- Continually improve the OHS Performance by setting objectives and targets to prevent any occupational accidents and disease in the workplace.
